

Terms & Conditions

Therapy Sessions & Fees

Each session lasts approximately one hour and the agreed fee per session is £55. This may be subject to change from time to time, but any change in fees will be agreed between us. The fee for a one hour chill out relaxation session is £35.

Cancellations

If you wish to cancel an appointment, or are otherwise unable to attend, you will need to give at least 24 hours notice, otherwise the full cost of the session will be payable.

Payment

Payment must be made by cash or cheque at the end of each session. Cheques should be made payable to Vicki Crane. You may pay in advance if you wish, should there be a fixed number of therapy sessions.

Confidentiality & Audio Recordings

In order to ensure continued best practice, I receive regular clinical supervision of my work with clients. As part of the supervision process, audio recordings may be required. The recordings will only be used for reference by myself and my supervisor, in my presence. The recordings which are stored as an mp3 file are a record of our work together but have no reference to you other than your first name.

As the client you may withdraw your consent for sessions to be recorded at any time, without affecting your therapy in any way. These recordings will be deleted when your therapy has been completed. By signing this agreement you consent to the recording of your sessions as appropriate.

Everything you say will be treated in the strictest confidence with the following exceptions:

Self Harm: I may need to contact your GP if it appears that you are suicidal or intend to carry out serious self harm.

Abuse or Injury to a Minor: I am legally required to report any abuse towards a minor to the appropriate authorities should you divulge any such information to me.

Standards of Behaviour

I undertake to treat you with respect and not to abuse the trust you put in me. I will use best practice at all times in our mutual interest. In return, you undertake not to harm yourself, or any other person, including me, or any property belonging either to me or any other person. You agree not to come to sessions under the influence of alcohol or recreational drugs, except those medications prescribed by your doctor. If you do come to sessions under the influence of alcohol or recreational drugs or demonstrate violent/abusive behaviour, I reserve the right to cancel the session and refuse any further therapy sessions.

I, the undersigned understand that no guarantee of a cure can be given for any presenting issue or any issues which may become apparent during the course of therapy. I have informed Vicki Crane of all medical conditions that I am being treated for at this moment in time. I have read and understand the terms of this agreement.
